4. Heritage...Inspire Airmen to Uphold the Legacy of Excellence

Motto: “Defend...Avenge!”

The latest 509th Bomb Wing Strategic Plan has been published and is effective as of January 1, 2016. This plan serves as the 509th’s strategic roadmap as it enables the wing to maintain its focus on long-term priorities while we continue to tackle immediate challenges as a team. The plan also provides the men and women of the 509th with a framework to define the critical role they all play in providing combat capabilities to our President and Combatant Commanders around the globe. As part of the latest Strategic Plan, the wing mission statement, vision, priorities and motto have all been updated as you can see above. For a copy of the updated plan or if you have questions, please contact your supervisor.

Effective January 6, 2016, Whiteman AFB will broadcast Reveille at 7:30 a.m. as opposed to 7:00 a.m. This change should help reduce delays that may occur at our installation gates in the morning as personnel will no longer have to pause for Reveille at 7:00 a.m.

Whiteman Family Homes recognized for excellence in customer service

This past year, military housing residents at Whiteman Air Force Base were asked to provide customer feedback as part of the annual national customer satisfaction survey, known as the CEL and Associates survey. We are happy to announce that Whiteman Family Homes, managed by Balfour Beatty Communities (BBC), has earned six A-List awards for the Bear Lake II, Lakeside, Lakeside II, Woodview, Woodview II, and Woodview III neighborhoods, as a result of your honest feedback.

As part of the survey, residents graded the property management company on service points such as leasing and operations, housing unit features, appearance and condition, as well

as quality of maintenance, resolution response time, resident communications and other service criteria.

“Best-in-class customer service is what we strive for every day and the CEL resident survey is a critical benchmark of our performance,” said Anne-Marie Niklaus, BCC senior vice president. “Our residents have a choice about where they live and we care deeply about their feedback, suggestions and ultimately, the quality of their living in a BBC-managed property.”

As always, your opinion matters to us. If you have any resident queries or suggestions, please contact the Community Management Office at 660-687-0559.

VA assists transitioning service members preparing for 21st century job market

The Department of Veterans Affairs (VA) new VA benefits I and II briefings are now available at Whiteman Air Force Base, Mo., as part of the redesigned Transition Assistance Program (TAP). The goal of the redesigned TAP is to provide transitioning service members with a set of value-added, individually tailored training programs and services to equip them with the set of tools they need to pursue their post-military goals successfully.

Service members participating in the new VA benefits I and II briefings will experience interactive activities teaching them how to review, apply for, and receive the benefits and services they have earned.

The VA’s benefits I briefing provides detailed information on education, health care, compensation, life insurance, home loans and other VA benefits and services. During VA benefits II, supplementary information to expand and reinforce what is covered in VA Benefits I, an overview of the disability compensation process, and an introduction to the eBenefits portal (VA’s web-based benefits application system) is provided. Both briefings are highly interactive and include practical exercises, videos of personal experiences, and a question and answer session. VA benefits I and II briefings are offered once a month on Tuesdays from 8 a.m. – 3 p.m. For more information on attending, please contact the Airman and Fam-

ily Readiness Center (AFRC) at (660)-687-7132.

Additionally, advisors conducting VA benefits I and II briefings are available for appointments outside the classroom to assist all service members, veterans, and family members who have questions about VA benefits and services they may be eligible to receive. They will serve as an important on-site resource for service members, veterans, and family members needing information on available resources. VA Benefits Advisors’ office hours are 7 a.m. – 3 p.m., Monday through Friday at the AFRC building 527. To schedule an appointment, please call (571) 733-7848 or email matthew.roof.CTR@calibresys.com.

Whiteman at the Rose Bowl

Members of Team Whiteman conducted two flyovers on New Year's Day -- one for the Tournament of Roses Parade and the second for the 102nd Rose Bowl Game in Pasadena, Calif.

Whiteman service members travelled to Pasadena, Calif., not only to support the two flyovers on New Year's Day, but also to speak with the estimated 250,000 people in attendance about the tremendous capabilities of the B-2

During the Rose Bowl game, Brig. Gen. Paul Tibbets IV accepted the gratitude of the Tournament of Roses committee on behalf of Team Whiteman for us conducting two B-2 flyovers that were both broadcast live on national television.

U.S. Air Force Staff Sgt. Mathew Meron, 509th Security Forces desk sergeant, performs procedures of a routine traffic stop at Whiteman Air Force Base, Mo., Jan. 6, 2016. Meet U.S. Air Force Staff Sgt. Mathew Meron, a 509th Security Forces desk sergeant. As a desk sergeant, Meron is responsible for dispatching Whiteman defenders to any type of emergency happening on base such as medical emergencies, assaults or traffic accidents.

Hailing from Allentown, Pennsylvania, Meron has been in the Air Force for nine years and has been stationed at two different duty stations, Whiteman Air Force Base, Mo., and Offutt Air Force Base, Nebraska.

Meron's interest for going into law enforcement came from his father.

"My father was my inspiration," said Meron. "He was a military policeman in the Marines and I just kind of chose to follow in his footsteps."

Meron enjoys that his job is not monotonous, and brings a new challenge every day.

"My favorite thing about this job is that nothing is the same every day," said Meron. "Nothing is always black and white. There are a lot of grey areas so you really have to use background knowledge to get the information right and make the right decisions."

Meron's solid performance has earned high praise from those who work with him.

"For a recent accident investigation he worked on his days off to make sure the investigation was accurate and complete," said Master Sgt. Joseph Lindley, 509th SFS flight chief. "He is a great supervisor because he is always looking out for his Airmen. He gives it his all to make sure the mission gets done."

U.S. Air Force Staff Sgt. Mathew Meron, 509th Security Forces desk sergeant, writes a traffic citation for an Airman at Whiteman Air Force Base, Mo., Jan. 6, 2016. Traffic violations on base can cause an Airman to have his or her on-base driving privileges revoked for up to a year.

Tricare for ACA requirements

The Affordable Care Act (ACA), which was signed into law, March 23, 2010, requires all U.S. citizens and legal residents to obtain and to maintain a minimum standard of health care insurance. For 2015, taxpayers are required to prove that they have obtained the minimum essential coverage; TRICARE qualifies for this coverage.

Your proof of coverage is the Department of Treasury Internal Revenue Service Form 1095: Employer Provid-

ed Health Insurance Offer and Coverage. This form is accessible via MyPay under Taxes.

Each member of our Air Force team (active duty, Air National Guard, Air Force Reserve, retiree and civilian) will need to have his or her IRS Form 1095 to file his or her taxes in 2016.

If you have questions or need additional information, please contact finance customer service at 687-2006 or email your questions to: 509cptsfmf@us.af.mil.

Want a Profitable Home Based Career?

Providers are needed to provide care for the following: evenings, weekends, swing shift workers, infants, special needs and mildly-ill children. The Air Force offers a subsidy for providers for all children under the ages of 3 and any child who falls into the critical needs areas. Providers who hold a license are subsidized \$160 a week per qualifying child. Providers with chronic health problems are accepted. Call for more details.

Extended Duty Care

Register now for the extended duty care program. It is available to help DoD parents meet child care requirements for extra duty during exercises and emergencies. Care is provided in a contracted, licensed family child care home to augment regular care arrangements and is FREE. Come to the FCC office for an application prior to participation. Reservations need to be made at least a week prior to the care date. Call for more details.
