INSTRUCTIONS

1. This form is used to request Armed Forces musical unit, personnel, color/honor guard, guest speaker and/or exhibit/equipment participation in public events. U.S. Military participation does not imply endorsement of the event or the organization hosting the event. The requested information is required to evaluate the event. Please complete all sections.

2. Armed Forces musical units are organized for ceremonial and traditional purposes and to support recruiting activities. However, they may be authorized to provide certain specified presentations, such as patriotic ceremonies for public programs. Armed Forces musical organizations are not permitted to provide entertainment, background, dinner, dance or other social music at public or private events in competition with the customary or regular employment of local civilian musicians. **Limited resources permit only one band and/or choir to perform at an event, and the Military Services reserve the right to cancel support to requesters who have scheduled more than one such military unit.**

3. Department of Defense (DoD) policies require that Armed Forces participation in public events will be provided at no additional cost to the Government, which means unprogrammed costs incurred solely because of participation in or support of an unplanned activity. For example, additional costs to the Government include unplanned travel and transportation, meals and lodging for military personnel away from Government mess, civilian per diem, and overtime pay. Unsolicited contributions of money, personal property, or services (e.g., gifts in kind for lodging, meals, transportation) may be accepted for the benefit of military musical units for events that align with the DoD's mission. All costs are binding after a unit, personnel, or exhibit has arrived at an event site, even though weather conditions or other unforeseen circumstances force the event to be cancelled.

4. This form should be submitted to the appropriate Military Service (listed in right hand column) **not less than 30 days in advance of a scheduled program.** Final determination will occur **no earlier than 90 days in advance.** Please realize that all Armed Forces units have specific military missions and training requirements. Participation in public programs will only be authorized when such support is in the best interests of the DoD and the Military Services and does not interfere with mission or training programs. In all cases, operational commitments must take priority and can cause previously scheduled appearances to be cancelled.

5. Additional forms may be obtained on the Internet at https://www.esd.whs.mil/Directives/forms/dd2500_2999/. For legibility, event requesters are highly encouraged to fill out applicable information on-line prior to printing out the form.
